Resident brought up about the usage for the community being refused at this present moment in time.
It was thought that hopefully this problem can be resolved sooner than later.

Part 2

On separate sheet

Part 2

Committee meetings

It was felt that the committees such as Planning, Land & Environment were being duplicated with the Parish Council main meetings. After a discussion it was agreed that we would no longer have separate meetings and that all discussions would be made at the Parish Council meetings. It was felt we should review it in 12 months time.

This was proposed by Cllr Campbell and seconded by Cllr Johnson

A vote was taken and passed by all present
